Re: Forbearance Notification

WC Docket No. 11-42 – Lifeline and Link Up Reform and Modernization

Scott County Telephone Company, Inc. (Scott County; SAC 403031) hereby notifies the FCC that it is availing itself of forbearance relief granted by the *Lifeline Modernization Order*¹ from the obligation to offer Lifeline-supported broadband Internet access service.

Scott County is an eligible telecommunications carrier (ETC) that receives Alternative Connect America Cost Model (A-CAM) support in Arkansas. The Company elects forbearance relief for those census blocks in its study area that are not funded under A-CAM. The Company does not receive high-cost support for those unfunded census blocks and is not subject to high-cost public interest broadband obligations in them. What follows is the information the Wireline Competition Bureau has requested in these notifications.²

1. *Carrier Name*: Scott County Telephone Company, Inc.

2. *ETC Designation Information*

- a. *ETC Designation Order*: Arkansas Public Service Commission; In the Matter of Determining Eligible Telecommunications Carriers in Arkansas; Docket No. 97-236-U; Order No. 2; November 7, 1997.

¹ *Lifeline and Link Up Reform and Modernization et al.*, WC Docket No. 11-42 et al., Third Report and Order, Further Report and Order, and Order on Reconsideration, 31 FCC Rcd 3962 (2016) (*Lifeline Modernization Order*). In particular, the *Lifeline Modernization Order* forbore from requiring high-cost support recipients to offer Lifeline-supported broadband in areas where they are not receiving high-cost support or are not subject to high-cost public interest broadband obligations. *Id.*, 31 FCC Rcd 4074-75, paras. 309, 311, 312.

² *Wireline Competition Bureau Provides Guidance Regarding Filing Procedures for Eligible Telecommunications Carriers Seeking to Invoke Forbearance Granted by Lifeline Modernization Order*, WC Docket No. 11-42, Public Notice, 31 FCC Rcd 12672 (2016).

- b. *Designating Authority:* Arkansas Public Service Commission
 - c. *Type of Designation:* High-cost support recipient (*i.e.*, not Lifeline-only)
 - d. *Date of ETC Designation:* November 7, 1997
3. *Areas Where ETC Seeks Forbearance:* The Excel file that accompanies this notification contains a list of the census blocks, in numerical order by FIPS code, where Scott County is availing itself of forbearance relief. The listed census blocks are all those within the Company's ETC-designated service area that are not funded under A-CAM.
4. *Date and Reason for Change:* Scott County received its first A-CAM support payment on February 28, 2017. Therefore, as of that date, the Company no longer receives high-cost support for census blocks within its designated service area that are not funded under the model and is not subject to broadband public interest obligations in those blocks.
5. *Information on Areas Where Carrier Elects to Offer Broadband:* Notwithstanding the forbearance relief Scott County is claiming for its census blocks that do not receive A-CAM support, the Company still intends to offer Lifeline-supported broadband in those blocks to the extent qualifying service is available.
